

**Course: Biology (Regular and Honors)**

**Content Support/Contact:** Ryan Westberry [Ryan.Westberry@collierschools.com](mailto:Ryan.Westberry@collierschools.com)

**Technology Support/Content:** n/a

Week 1	Day 1	Day 2	Day 3	Day 4	Day 5
Lesson/Topic:	SC.912.L.14.3 Plant, Animal, Eukaryotic, Prokaryotic Cells	SC.912.L.14.52 Immune system, immune responses, vaccines, antibiotics	SC.912.L.14.52 Immune system, immune responses, vaccines, antibiotics	SC.912.L.15.1 theory of evolution	SC.912.L.15.13 natural selection
Resource:	CPalms: <a href="#">Cell Types</a>	CPalms: <a href="#">When the Immune System Isn't Enough</a>	CPalms: <a href="#">The Immune System: Your Body's Private Defense System</a>	CPalms: <a href="#">Evolution: Examining the Evidence</a>	CPalms: <a href="#">Conditions for Natural Selection</a>
Task:	<ol style="list-style-type: none"> <li>1. Open the CPalms Cell Types Tutorial</li> <li>2. When you get to the practice slides, write the information from the slide into your science notebook.</li> </ol>	<ol style="list-style-type: none"> <li>1. Open the CPalms When the Immune System Isn't Enough Tutorial</li> <li>2. When you get to the practice slides, write the information from the slide into your science notebook.</li> </ol>	<ol style="list-style-type: none"> <li>1. Open the CPalms The Immune System Tutorial</li> <li>2. When you get to the practice slides, write the information from the slide into your science notebook.</li> </ol>	<ol style="list-style-type: none"> <li>1. Open the CPalms Evolution: Examining the Evidence Tutorial</li> <li>2.
